

Caring about YOUR future

Health and Social Care programmes at ShIPLEY College

At ShIPLEY College our Health and Care team provide support and training to an extensive range of organisations and staff throughout the local and surrounding areas. Our highly skilled and experienced tutors can offer flexible delivery within your workplace to fit in with your commitments, or we can offer excellent facilities at our campus in the world heritage site of Saltaire.

The ShIPLEY College Health and Social Care team has extensive experience of working within the sector and includes registered nurses, health visitors, midwives, mental health nurses, primary teachers and early years practitioners.

Remember – their success is your success

Challenge • Solution • Benefits

In 2004, we made an approach to ShIPLEY College with a view to investigating options, other than traditional college based learning, for providing a solution to our staff for NVQs in Health and Social Care. This was to include a solution for support staff working in Supported Living settings who had experienced difficulty accessing College courses due to their working hours. The College responded with a customised programme, delivered on our premises, in a central location at times that suited our learners.

The course content has been reviewed annually to accommodate the changing requirements of both the learners and the roles they undertake.

Due to the detail and high standards of the courses we have confidence in the integrity of the qualifications awarded via ShIPLEY College. This has led to an increased self confidence and a greater sense of achievement from staff who have undertaken these courses.

We have worked together with the college on new developments in our professional area and our 'designated' assessor is now as familiar a face in our services as many of our own training team.

I am happy, based on my experience, to provide this information and would always be pleased to share our experiences with other employers.

Rosie Hawley - Vocational Services Manager for Bradford District Care Trust
