

# Growing together

## Horticulture and Land-based industries programmes at Shipley College

We offer an extensive range of courses tailored to meeting the specialist and specific needs of a range of organisations from small enterprises including florists' shops and landscape gardeners, to larger organisations such as Health Authorities and Council Recreation Divisions.

Our highly skilled tutors have extensive industry experience and include professional greenkeepers, landscape gardeners/contractors, florists, garden designers and nursery staff. We can offer flexible delivery at your premises to fit in with your commitments, or we can offer excellent facilities at our campus in the world heritage site of Saltaire.

**Remember – their success is your success**

“

### Challenge • Solution • Benefits

“Chrissy and Scott are now studying at NVQ Level 3. The school are proud to have developed our in-house grounds maintenance department that is independently run by them. I owe the success of this project to Chrissy and Scott and to the fantastic support and tutoring of Shipley College.”

**Chris Anderson** - Assistant School Manager, Hipperholme and Lightcliffe School

“

### Challenge • Solution • Benefits

"We chose Shipley College for the Horticultural Machinery course. The training delivered was informative and concise. There was a real focus on the students and quality time was spent with them. The staff were great and the college setting was good."

**Louisa Clarke** - Calderdale Council, Support Services Officer

”

## Our tailored range of Horticulture and Land-based courses

- NVQ training from Levels 1 - 3 in Amenity Horticulture, delivered in the workplace.
- Level 2 courses in Floristry, designed for working florists.
