

## **SMOKING POLICY**

**Shipleigh College has agreed policies to ensure, as far as it is able, that all its members can work and study freely and safely. The promotion of good health is a part of this policy and the provision of a healthy atmosphere free from tobacco smoke is one measure which has wide acceptance.**

**Smoking is not allowed anywhere in College buildings.**

**Smoking is only allowed in College grounds where bins are provided.**

**Shipleigh College cares about your health. Please do not smoke except in the designated areas of the College grounds.**
