WELCOME TO SHIPLEY COLLEGE

At Shipley College, we deliver life changing learning.

We are seeking to appoint a passionate and innovative educator that has the experience and credibility to inspire our teachers to enhance their already excellent TLA practice. Through coaching, practical advice, delivering masterclasses and hands-on demonstrations you will lead them to incorporate the latest and emerging learning technologies, and pedagogical practices into their lessons.

You will lead a team of Advanced Practitioners and Digital/LRC Specialists, and have ownership of the Learning Resource Centre, to help you drive your vision of inspirational teaching and learning across the college. This is a role that needs to help colleagues explore and realise what is possible, taking what is best practice externally and bringing it home to Shipley - helping our colleagues visualise where they would like to get to, and putting in practical steps to help them get there. Reporting to the Vice Principal - Curriculum, you will work in partnership with colleagues across the whole college, in particular our teachers, Heads of Department, Head of Quality and Head of Learning Support, and work closely with senior leadership to support a culture of innovation and continuous professional development.
